PROFILE

BA LL.B. graduate and early-career legal professional focused on corporate compliance, governance, data privacy, contracts, fintech regulation, IP due diligence, and litigation support. Strong legal research, drafting, contract review, and cross-functional compliance execution across technology, ed-tech, and legal-services settings.

CORE LEGAL SKILLS

Corporate & Compliance: Corporate governance; contract drafting/review; DPDP Act, 2023 data privacy; vendor risk & policy audits.

Research & Transactions: Legal research & drafting; banking & finance; fintech/blockchain regulation; IP due diligence.

Disputes: Arbitration and litigation support.

LEGAL EXPERIENCE

Witmer.AI

Legal Associate & Compliance Specialist

Bengaluru, India

Mar. 2025–Apr. 2026

- Built compliance and governance structures for workplace-wellness and behavioral-science modules, aligning legal controls with product operations and DPDP Act, 2023 requirements.
- Drafted and negotiated MSAs and pilot contracts for enterprise clients, focusing on liability limits, performance indicators, implementation responsibilities, and consent/data-use controls.
- Reviewed 250+ organizational artifacts for copyright, confidentiality, data de-identification, and AI-related risk; prepared an internal algorithmic-transparency policy.
- Supported consent management, vendor risk checks, trademark protection, consultant copyright assignments, and quarterly data-storage audits.

USDC Global

Compliance Executive

Bengaluru, India

Dec. 2024–Feb. 2025

- Designed compliance strategies for international education and e-commerce operations; standardized MSA documentation and supported proactive compliance audits for university partner arrangements.
- Developed data privacy protocols for student learning platforms and supported cloud-security measures, automated compliance registries, IP protection, refund-policy transparency, and grievance-redressal benchmarks.

Fox Mandal, Solicitors & Advocates

Corporate Legal Intern

Bengaluru, India

Oct. 2024–Nov. 2024

- Supported the banking and finance vertical on transactional and compliance matters; researched capital markets regulations, commercial law, customer due diligence, blockchain regulation, and corporate transparency frameworks.
- Assisted with strategy statements, internal investigation materials, slump-sale documentation, and overseas investment structures linked to ESOPs.

Global Fintech Summit

Research Assistant

Mumbai / Remote

Aug. 2023–Sep. 2023

- Conducted secondary research on fintech regulation, blockchain compliance, and stakeholder priorities; prepared questionnaires, participant research materials, and segmentation for financial institutions and startups.

G. Veerendra Babu Associates

Legal Intern

Bengaluru, India

Apr. 2023–May 2023

- Assisted with civil and commercial litigation, labour law, arbitration, case preparation, and High Court documentation; drafted and reviewed legal documents under supervision.

ELADO

Legal Intern

Bengaluru, India

Aug. 2022–Oct. 2022

- Conducted IP due diligence, trademark conflict, patent, and copyright research; analyzed shareholder agreements, company-law documents, startup profiles, and arbitration strategy materials.
